TREATMENT OF TAX REDUCTION:

- Dept. of Revenue: The amount of the property tax reduction the taxpayer receives under this statute is not considered income for the purpose of state income tax withholding, unemployment compensation or workmen's compensation. The tax reduction is, however, considered income for the purposes of federal income tax.
- Federal (IRS): Medicare (1.45%) and OBRA (7.50%) will be deducted from the gross amount earned. Upon termination from the program, a participant may elect to close their OBRA account.
- The net amount will be applied to the actual tax bill for fiscal year **2024**, divided equally between the February and May quarters with an additional commensurate CPA surcharge credit.

PARTICIPANT STATUS:

Taxpayers performing services in return for property tax reductions are employees for the purposes of municipal tort liability. Stow will therefore be liable for damages or injuries to third parties and for indemnification of the program participants to the same extent as they are in the case of regular municipal employees.
